Clear Water... *Guaranteed!*

ADVANTAGE

ULTRAVIOLET STERILIZER

Hanger Unit

The Industry Leader in Ultraviolet Sterilization

The Advantage Series Sterilizers are designed for maximum performance, power, and reliability. Ultraviolet is proven to be safe, dependable and effective in controlling algae and harmful bacteria without leaving any residuals in the water.

We Offer the Best in Design and Quality

Aqua Ultraviolet utilizes the highest quality components designed to work perfectly together. Our design maximizes kill rates, and insures ease of installation and maintenance.

The Professional Edge Commitment

The Advantage Series Sterilizers will clear green water in 3-5 days, sometimes over night, and keep it that way. Performance is guaranteed when sized, installed and operated according to our instructions.

Aqua Ultraviolet is always the leader in technology and innovation:

- Clear Quartz Cap lets you see the glow that tells you your lamp is on.
- Industry's Longest Lamp Life, of 14 months, and has a Single End connection
- Lamps are designed for continuous use
- Lamps are rated at End of Lamp Life
- Lamp is positioned in the housing for maximum UV effectiveness
- Slender housing design allows for higher UV dosage
- The Unit is designed for maximum flow rates
- Easy to remove remote power supply
- Designed for indoor or outdoor use
- Limited Lifetime Warranty on the housing against failure of plastic due to UV exposure
